Bott Radio Network Founder Richard P. “Dick” Bott Receives Honorary Doctorate from Carver Baptist Bible College & Seminary

OVERLAND PARK, Kan., March 18th, 2008 —

Mr. Richard P. “Dick” Bott, founder of Bott Radio Network, received an honorary Doctorate of Humane Letters from Carver Baptist Bible College & Seminary in Kansas City, Missouri. The degree was presented on Friday, March 14th, at the Williams Bible Conference.

According to Dr. Le Roy Randolph, President of Carver, Mr. Bott is only the eighth person in the 66-year history of the institution to receive an honorary doctorate. He said Mr. Bott was selected “because of his extraordinary ability to articulate the need for the Christian voice to be heard in public discourse.” He also cited Mr. Bott’s consistent record as a powerful advocate for human life, and for dedicating his radio network to the cause of Christ.

“This year’s Williams Bible Conference provided an ideal setting for this honor,” Dr. Randolph added. “The conference theme is ‘Preserving the Foundations,’ based on Psalms 11:3, ‘If the foundations are destroyed, what can the righteous do?’ Mr. Bott shares our school’s commitment to preserving the foundations of this nation’s Christian heritage.”

He also cited Mr. Bott’s passionate commitment to the Constitutional rights of black Americans. “Our school was established to help cultivate a more intelligent faith within the black community. Mr. Bott has not only been a voice of reason in the political arena, but he has always been an advocate for minorities and the disenfranchised. He stands up for the rights of everyone, and he does it with great courage.”
