BOTT RADIO NETWORK **Expands in Southwest Missouri**

OVERLAND PARK, Kan., July 8, 2005 – Today Bott Radio Network (BRN) launched a new radio signal at 103.9 FM, serving Hollister and Branson seven days a week, 24 hours a day. Today's launch represents another milestone in BRN's expansion plan to serve families throughout southwest Missouri with Quality Bible Teaching and Christian News and Information.

The addition of 103.9 FM extends the service area of Bott Radio Network's Springfield station at 90.1 FM. This follows the April launch of BRN's new signal serving Hermitage, Mo., at 94.1 FM, and the June 24th launch of 104.3 FM serving Rockaway Beach, Mo.

Over the next several months, new Bott Radio Network signals will be added in Hollister (1570 AM), Lebanon (92.3 FM), and Monett (107.3 FM) to serve the families of southwest Missouri along with the more than seven million visitors who come to the Branson area each year.

For more than 40 years, Bott Radio Network has featured America's finest Bible teachers and Christian news and information programs to help people grow in the Lord and apply their faith in their daily lives. With headquarters in Kansas City, Bott Radio Network is recognized as a national leader in Christian broadcasting.

Bott Radio Network now operates 30 stations in eight states, serving 23 markets. With a population of more than 20 million people living within Bott Radio Network's coverage area, it is the largest Christian radio network in the Midwest and one of the largest in the nation. In addition, Bott Radio Network broadcasts to families nationwide on Sky Angel's direct broadcast satellite (DBS) service and worldwide over the Internet at www.bottradionetwork.com.
