## Announces Launch of New Station in LONGVIEW~TYLER, TEXAS

**OVERLAND PARK, Kan., September 19th, 2006** — Bott Radio Network (BRN) announces the launch of our newest **Christian talk radio station—90.7 FM**. BRN will expand its service to Longview, Tyler, and East Texas on Monday, September 25th, at 12:00 Noon with a **special sign-on dedication broadcast**. Broadcasting from Big Sandy with nearly half a million people in its coverage area, the addition of this full service, **24-hour signal** marks the beginning of Bott Radio Network's service in Texas.

KTAA 90.7 FM previously served Longview and Tyler with Christ-centered music and teaching. Bott Radio Network will continue the tradition of Christian radio programming with a dedicated format of Quality Bible Teaching and Christian News and Information. Several of the programs, including *Love Worth Finding*, *Back to the Bible* and *Grace to You*, will remain on the radio program schedule.

With headquarters in Kansas City, Bott Radio Network is recognized as a national leader in Christian broadcasting. "For more than forty years, Bott Radio Network has featured America's finest Bible teachers and Christian news and information programs to help people grow in the Lord and apply their faith in their daily lives," says BRN Executive Vice President Rich Bott, "Bott Radio Network stretches from Fresno to Ft. Wayne, with a focus on the heart of America. Our Bible-centered programming is a great fit for the people of Texas."

BRN features some of the nation's most recognizable Christian and conservative talk show personalities including Dr. James Dobson of *Focus On The Family*—one of the top three radio programs in the nation; Dr. Richard Land of *For Faith & Family*—a broadcast that originates from the Southern Baptist headquarters; attorney and judicial

advocate Jay Sekulow of *Jay Sekulow Live*; Rev. Billy Graham, Chuck Swindoll, June Hunt, Charles Stanley and many other national Christian leaders also contribute programming to the network. Last year, *Time* magazine recognized several of BRN's talk show hosts as among the top 25 of the nation's most influential evangelicals.

BRN Founder and President Dick Bott said: *"For years, Bott Radio Network has served families with Quality Bible Teaching and Christian News and Information. BRN's expansion into Texas will enable more people to both grow in their faith and to know what's happening in the world around them."*

Since its founding in 1962, Bott Radio Network has been a national leader in Quality Christian Radio Broadcasting. The Network currently broadcasts its format of Quality Bible Teaching and Christian News and Information programming over 39 radio facilities in nine states across the nation, covering more than 31 million people. It is also heard nationwide over the SkyAngel Direct Broadcasting Satellite system Channel 9781, and worldwide via the Internet at [www.bottradionetwork.com](http://www.bottradionetwork.com).
