BOTT RADIO NETWORK **Expands in Southwest Missouri**

OVERLAND PARK, Kan., October 5, 2005 – On Monday, October 3, 2005, Bott Radio Network (BRN) launched a new radio signal at 107.3 FM, serving Monett, Mo., seven days a week, 24 hours a day. Monday's launch represents another milestone in BRN's expansion plan to serve families throughout southwest Missouri with Quality Bible Teaching and Christian News and Information.

The addition of 107.3 FM extends the service area of Bott Radio Network's Springfield station at 90.1 FM. This follows several launches in the past six months, including BRN's new signals serving Hermitage, Mo., at 94.1 FM, Hollister and Branson Mo., at 103.9 FM, and Lebanon, Mo., at 92.3 FM.

Soon, a new Bott Radio Network signal will be added in Hollister at 1570 AM, to serve the families of southwest Missouri along with the more than seven million visitors who come to the Branson area each year.

For more than 40 years, Bott Radio Network has featured America's finest Bible teachers and Christian news and information programs to help people grow in the Lord and apply their faith in their daily lives. With headquarters in Kansas City, Bott Radio Network is recognized as a national leader in Christian broadcasting.

Bott Radio Network now operates 30 stations in eight states. With a population of more than 20 million people living within Bott Radio Network's coverage area, it is the largest Christian radio network in the Midwest and one of the largest in the nation. In addition, Bott Radio Network broadcasts to families nationwide on Sky Angel's direct broadcast satellite (DBS) service and worldwide over the Internet at www.bottradionet.com.
