## Announces the Acquisition of a NASHVILLE, TENNESSEE 50,000-WATT SUPER-STATION

**OVERLAND PARK, Kan., August 24, 2005** -- Bott Radio Network (BRN) is pleased to announce the acquisition of a major **50,000-watt Super-Station** in Nashville, Tenn.

The acquisition is pending FCC approval. Bott Radio Network expects to begin broadcasting from the Nashville facility in **January 2006**.

The station—currently known as **WAMB**—broadcasts with **50,000 watts non-directional** at **1160 kHz** from a tower in the center of Nashville. The powerful signal covers all of Central Tennessee from Bowling Green, Kentucky to the north, to the Alabama state line to the south. At night the station covers the Nashville metropolitan area with 1,000 watts.

This new **24-hour signal in Nashville** will add to Bott Radio Network's existing 50,000-watt coverage of Western Tennessee over WCRV-AM 640 in Memphis.

With **two major 50,000-watt Super-Stations in Memphis and Nashville**, Bott Radio Network will reach a major portion of the population of Tennessee with its format of **Quality Bible Teaching, Christian News and Information**.

"We are delighted to be able to expand the teaching of God's Word in Central Tennessee with such a major powerful voice," said Rich Bott, BRN Executive Vice President. "Our goal is to help people grow in

their Christian Faith and to apply their Faith in their daily lives through Quality Bible Teaching, Christian News and Information 24 hours a day.”

BRN Founder and President Dick Bott said: *“We know people in Nashville will respond to our programming format of Quality Bible Teaching and Christian News and Information just as they have in Memphis for nearly 20 years. The Word of God is needed there just as much as anywhere else in America. And BRN intends to serve Him by serving His people in that important heart of America market. This new giant BRN broadcast station will provide the means for people to both Grow in their walk with the Lord, as well as Know what’s happening in the world around them.”*

Since its founding in 1962, Bott Radio Network has been a national leader in Quality Christian Radio Broadcasting. The Network currently broadcasts its format of Quality Bible Teaching, Christian News and Information programming over 30 radio facilities in eight states across the nation, covering more than 20 million people. It is also heard nationwide over the SkyAngel direct satellite broadcasting system Channel 9781, and worldwide via audio streaming over the Internet at [www.BottRadioNetwork.com](http://www.BottRadioNetwork.com).
