BOTT RADIO NETWORK Expands in Nashville

Rich Bott
President/CEO

OVERLAND PARK, Kan., February 17, 2011 – Bott Radio Network announces a major FM expansion of its Christian Talk Radio service to Nashville and Middle Tennessee with the addition of **five FM stations**: 89.1 FM-Nashville, 91.5 FM-Dickson, 99.5 FM-Clarksville, 93.9 FM-Gallatin and 101.9 FM-Lebanon.

A special dedication broadcast is planned for **Friday, February 18, at 12:00 noon** to mark the moment when these five quality FM stations become part of Bott Radio Network. Together with BRN's powerful 50,000 watt station at AM 1160, they will broadcast Quality Bible Teaching, Christian News and Information programming 24/7 to families across Nashville and Middle Tennessee.

These FM stations were previously owned by Trevecca Nazarene University beginning in 1967 and provided Christian programming to the region. *"We consider it a privilege to honor the ministry vision of Trevecca Nazarene University by broadcasting quality Christian programming to families across Middle Tennessee over these FM stations,"* says BRN President, Rich Bott. *"It is important that quality Christian broadcast facilities like these are preserved for the proclamation of the Gospel message."* The prayer of dedication on the broadcast will be offered by Trevecca President, Dr. Daniel Boone.

Bott Radio Network has plans for a major power increase at 89.1 FM in Nashville. *"Last week the Federal Communications Commission granted our application and issued a construction permit to boost the power at 89.1 FM to 22,000 watts,"* said Don Boyd, BRN's Nashville Regional Manager. *"That's a wonderful increase of almost 15 times more power, making 89.1 FM the most powerful Christian-formatted FM station in Nashville and the only one dedicated to Christian teaching and talk programming 24/7. The construction for the power increase will be completed this summer."*
